A Great Paper Covering a Rich Field

You can focus the buying attention of the greatest growing market in Western Canada to-day through one medium and at one cost.

The Herald is the dominant advertising medium in Canada between Winnipeg and the Pacific Coast.

When you buy Herald space you buy quality. Circulation 100% paid in advance plus productive co-operation service.

The Herald carries more Local Display, more National Display, more classified advertising than any other Daily Newspaper in Alberta.

The Herald is the first choice of every national advertiser entering this rich field.

You cannot hope to successfully reach the best buyers of advertised products in Western Canada without the Herald.

Introductory

THE PUBLISHERS take pleasure in presenting herewith the Fifteenth Annual Edition of Henderson's Calgary Directory, comprising the territory of the City proper and all adjoining subdivisions, suburbs and environs.

The Advertising Department presents the names of corporations, firms and individuals who have made Calgary the great city that it is, and who are a power in the financial, industrial and commercial world of Western Canada.

The Miscellaneous Section in the front part of the volume, containing up-to-date statistics and information, much of which is not to be found elsewhere in print.

The value of the street section is not appreciated, perhaps, by some who desire to find a certain house on a street unfamiliar to them to the extent it should be. By application of the following example the location of any street number can be found expeditiously: Suppose 723 Twelfth Avenue W. is wanted: refer to street section Twelfth Avenue W.—glance down to 723, then to the nearest intersection to 723. It will be found that this number is on the south side of the street, four houses west of Sixth Street, between Sixth and Seventh Streets.

The Classified Directory contains a complete alphabetically arranged list of all articles manufactured and sold in Calgary, which forms a most efficient wholesale and retail buyer's guide,

The Calgary Directory is placed in the Directory and Public Libraries throughout the United States and Canada, where it serves the public as a valuable book of reference and the city it represents as a splendid standing advertisement, for no other publication can convey such an idea of the city, its business interests and all the various institutions and organizations. Few people realize what splendid publicity this affords the City and its industries.

1920 POPULATION OF GREATER CALGARY, 79,488

These figures deal with Greater Calgary, and are an estimate only, based upon the number of names the Directory contains. **It is not a census.**

The Publishers desire to thank their patrons and the general public for the courtesy extended at all times to their representatives, and to say that they fully appreciate the confidence which the business and professional men of Calgary have always shown in their publications.

City of Calgary

Calgary is named after a small town in Scotland; the word "Calgary" is of a Gaelic origin, and means clear water.

LOCALITY AND ADVANTAGES

The City of Calgary is the business centre of the Province of Alberta, and the largest and most important city between Winnipeg and Vancouver. Its location on the C.P.R. main line in the foothills of the Rocky Mountains, at the junction of the Bow and Elbow Rivers, is picturesque. By reason of its strategic and geographical situation, the abundant supply of pure water, the untold wealth of the surrounding country awaiting development, and above all by reason of its cheap electric power, the City offers most desirable inducements for the establishment of manufacturing industries. An extract from "Townsites of the North West Territories," reads as follows:

"At the junction of the rivers (Bow and Elbow) on Section 14, is the town of Calgary, which will soon become one of the most important places in the Northwest. Its geographical position, picturesque site, proximity to the Rocky Mountains, access to wood and timber by way of both rivers, and its ample supply of excellent water all contribute to this end. C. E. La Rue, 1883."

At the time the above was written, Calgary had a population of less than 500, and Calgary's present status surpasses the above forecast.

The business section and part of the residential district has spread over the valley which was the original townsite, and has expanded over the surrounding heights, from which views of the Rocky Mountains are obtainable. Calgary is approximately 840 miles west of Winnipeg, 620 miles east of Vancouver, 133 miles north of the boundary line between Canada and the United States of America, and 80 miles from Banff, "The Playground of Canada," and the "Canadian Alps."

SURROUNDING COUNTRY AND RESOURCES

Tributary to Calgary is a most prosperous agricultural, beef raising and ranching district, in area some thousands of square miles, and by virtue of the nutritious and abundant grasses growing throughout the surrounding territory, cattle raised in this locality are of the best; and by reason of its favorable climate and fertility of the soil, grain and vegetables produced in this district are excellent.

IRRIGATION AND FARMING

Calgary is the headquarters of one of the largest irrigation projects in the world. Water for irrigating the fertile belt stretching from Calgary, north, east and south, is obtained from the Bow River. The head-gates of the main canal are located inside the City limits.

In the agricultural world, Calgary, being the centre of thousands of acres of both irrigated and non-irrigated lands famous for spring, fall and winter grains of all kinds, vegetables and wild and cultivated grasses, is highly attractive to prospective settlers and investors. As a direct result of this location and the productivity of the surrounding areas, a "Grain" or "Stock" Exchange and a large stockyard and packing plant were established some years ago. Calgary's importance as a grain centre has been officially recognized by the Government of the Dominion of Canada and the said Government has built a terminal elevator in this City (see index "Elevator").

RAILWAYS AND MARKETS

With three transcontinental railways operating into the City, and other branch lines projected, Calgary offers the wholesaler and the retailer great facilities for trade throughout the whole of the Dominion. This, coupled to an ideal location in the heart of a rapidly and ever growing market, in the centre of tributary lands containing bountiful supplies of raw materials, places Calgary conspicuously before the prospective manufacturer.

MINERALS, ETC.

Untold mineral wealth underlays the soil, waiting for time and invested capital ere an idea can be conceived as to the intrinsic value and the benefits which will accrue to Calgary, Canada, and the British Empire therefrom. Chief among the minerals and other products of the lower stratas of the earth, found in the Calgary district are iron, lead, coal (bituminous, lignite, anthracite and coking), silicate sandstone, brick clay and shale, pottery clay, fire clay, etc. Oil, of a high grade was, on October 7th, 1913, struck at a depth of 1562 feet in a well on Section 6, Township 20, Range 2, West of the 5th Meridian, and now known as "Discovery Well," and since, in fairly good quantities in at least two other wells. Natural gas is also obtained from these wells, and when treated yields gasoline in payable quantities. Wells are still being sunk.

Progression

HOSPITALS AND ADMINISTRATION OF

The hospitals of Calgary, which were hitherto managed by private interests, are now administered by the City as a public utility.

In December, 1918, the electors voted for Civic Administration of Hospitals. The change in control took place April, 1919.

A Tuberculosis Hospital is operated for the treatment of sufferers from this disease.

Gradual progress is being made towards tax-supported hospitals.

Rates have been revised and a Diagnostic Clinic instituted.

The Case Room is free to Maternity patients, and the X-Ray, Pathological Dept. and Operating Room to people housed in the hospital for treatment. Fees are as low as possible, with extra charge to country patients.

The hospitals are training centres for nurses.

Finances are derived from taxation in Calgary.

In 1919 the Provincial Government made a grant of \$25,941.25.

LIBRARY

Those of our citizens possessing literary tastes may, on becoming members of the Calgary Public Library, have access to various works of literature by the world's best authors. A short review of the history of the Calgary Public Library appears in another portion of this booklet.

CHARITABLE INSTITUTIONS

The unfortunate, destitute and needy are cared for by the Associated Charities, and food, coal, clothes and work are provided those asking for help, and work for same if able, and thus eliminate so-called charity.

MUNICIPAL OWNERSHIP

Calgary is essentially a City owned and operated for its citizens' benefit through their elected representatives, and owing to this fact its inhabitants enjoy a service from the various municipal undertakings seldom equalled. Having decided in the year 1900 that municipally-owned utilities were for their best interests, as a first venture the then waterworks system was purchased from the private company operating it, and steps were instituted to remodel and modernize the system. Success attended this venture and demonstrated to all that municipal ownership could, when properly administered be successful, and accordingly in due course Electric Light and Power, Street Railway and Asphalt Paving Plant systems and a Public Market were successfully instituted.

The Municipal Public Market furnishes an ideal medium of exchange as between the producer and the consumer. Write to the Market Superintendent for details.

Calgary has clean and well paved thoroughfares, beautiful residential districts, and business buildings, giving remarkable evidence of substantial growth. Municipally-owned utilities—particulars of which may be found in this publication—educational buildings, school system, and above all, its healthy climate.

A large and modern reinforced concrete bridge spans the Bow River at Centre Street, Calgary; a bridge of similar construction links the northern and southern banks of the Elbow River at Fourth Street West, and a similar bridge is about to be erected across the Bow River at Ninth Street West.

METHOD OF CIVIC GOVERNMENT

The "Initiative, Referendum and Recall" is in operation in Calgary. By this means legislation may be initiated by the ratepayers elected officials recalled or a referendum demanded on any public question or policy. It is necessary to obtain the signature of a number of qualified voters equal to 25 per cent. and 10 per cent. respectively of the number of votes cast at the last election for mayor before these powers may be invoked.

The government of the City is carried on under powers granted by the Legislative Assembly of the North West Territories, and amendments thereto from said body, and later form the Provincial Legislature of Alberta. The council is composed of a mayor and 12 aldermen. The mayor is elected annually by a vote of the electors of the City at large.

CONTINUITY OF COUNCIL, ETC.

In order that some members of each year's council may be on intimate terms with the City's business, the aldermen are now elected from the City at large to a two-year term of office, six aldermen retiring, in the ordinary course of events,

on December 31st of each year. The transition from a one to a two-year term of office was accomplished in December, 1913.

A commissioner is elected annually on a vote of the electorate of the City to hold office for a term of two years. The public and separate school trustees are also elected annually from a vote of the entire City, the number of members to be elected each year being determined by vacancies on the respective boards. The number of members composing the Public School Board is 7 and the Separate School Board 5.

QUALIFICATIONS FOR MAYOR, ETC.

The mayor is the chief magistrate of the City. Persons eligible for election as Mayor, Commissioner, Aldermen, Public or Separate School Trustee must be British subjects, male or female, of the full age of 21 years, and who are not disqualified under the ordinances incorporating the City of Calgary.

ELECTIONS, NOMINATIONS AND VOTING

All elections for officials are held under the "Proportional Representation System," which was finally adopted by the City in the year 1917.

The nominations are held annually on the first Monday in December, and the election on the second Wednesday following. The hours of polling are from 9 a.m. to 8 p.m., and "the persons qualified to vote in the above connection are those persons, male or female, 21 years of age or over, whose names appear on last revised assessment roll; or resident British subjects, male or female, 21 years of age or over, who have resided continuously in City for at least six months prior to the 1st of June in the year the voters' list is being prepared, and who register during the month of June or July in each year their names at the City Clerk's office." If registered British subjects vote at an election their names are added to the Voters' List for the year following such election. Qualifications for voting on by-laws, same as above but owners of real property only, to the value of \$400.00 or more.

COUNCIL'S DUTIES

The Council as a whole is the legislative body and carries on the legislative work through standing committees in the usual way.

COMMISSIONERS' DUTIES

The Board of Commissioners is the executive body and as such regulates and supervises expenditures, directs and controls departments, nominates all heads of departments, Comptroller excepted, prepares specifications and estimates, advertises for tenders for work, materials and supplies required, inspects and reports to the Council on the municipal work being carried on or in progress within the City; administers the affairs of the City, except schools.

The Aldermen receive no remuneration for their services, the electorate refusing to authorize same on December, 1919, but the Mayor and Commissioners receive a salary of \$5,000.00 and \$4,250.00 per annum respectively.

Calgary's form of municipal government (Commission with Council) has proven in this City of large municipally-owned utilities and undertakings to be a safe and sane method of administering the community's affairs.

The Commission form of Government had its inception, in so far as Calgary is concerned, in 1907, the Commission then consisting of the Mayor, City Clerk, and

City Engineer, said Board being appointed by the City Council. After a brief trial this Board was found to be unsatisfactory, as no matter what good policies the board might institute or desire to initiate, at least two of the members were not in a position to uphold their policies against possible opposition.

The afore-described Board was sup-
planted in 1908 by a Commission consist-
ing of the Mayor (chairman), and two
Commissioners, the latter two appointed
by the Council. Our citizens and electors
deemed it their privilege to say as to
whom should administer civic affairs and
the Council adopted the policy of hold-
ing a plebiscite, the two names submitted

for the office of Commissioner and re-
ceiving the highest number of votes to
be appointed by the Council. This method
in 1913 gave way to straight election of
Commissioners.

The electors at the Municipal Elections
held in December, 1918, declared by a
large majority to retain the present form
of Municipal Government.

A Board of Commissioners, acting with
a Council is considered by many to be
the ideal method of City Government, as
the Commissioners cannot legally act
(except in minor instances) before sub-
mitting the facts, policies and recom-
mendations to the Council and receiving
the endorsation of the said Council.

PUBLIC LIBRARY

Central Library—2nd St. W. and 12th Ave.

Hours of Opening

9 a.m. to 9.30 p.m. (9 p.m. June to August), Sundays 2 to 6 p.m.

The Library is closed on Victoria Day, Dominion Day, Labor Day and Christmas Day; is open for reading only on New Year's Day, Good Friday and Thanksgiving Day.

Membership Privileges

The Library is free to all who live or work in Calgary. Books may be borrowed at once on filling out an application at the library.

Administration

The library is administered by a Board consisting of six members appointed by the City Council and the Mayor, who is a member ex-officio. Only one member may be an alderman.

The city is empowered by the Provincial Library Act to levy, in addition to all other taxes, a library rate not exceeding one mill on the assessed property.

The Board at present consists of the following:

Rev. J. Macartney Wilson (chairman), Dr. A. M. Scott, Mrs. E. P. Newhall, W. D. Spence, Mayor Marshall, Alex. Ross, Ald. (Mrs.) W. J. Gale, Alexander Calhoun (Librarian and Secretary-Treasurer).

Book Collection

The library has now over 30,000 volumes in its various departments over 20,000 being available for lending purposes.

Reference Department

The reference library is a separate collection of over 4,000 volumes of books of reference and bound periodicals.

This department is designed to meet the needs of students and workers in every field who need special data of any kind. Telephone or mail inquiries receive prompt attention. Special lists of the best books and articles on any subject will be prepared at any time by the reference librarian, who gives all her time to this work.

Technical Reference Department

The works of Technical Reference form a separate department. Here also will be found technical books for loaning, and the best technical magazines covering Engineering, the Trades, Commerce and business.

Childrens Department (Upper Floor)

This department is a separate collection of 4,000 carefully selected volumes, under the supervision of a specially trained children's librarian. Children up to fourteen are eligible for membership.

Lecture Hall

A small lecture hall is on the upper floor, seating 100 and equipped with a splendid lantern. This room, as well as several others is available at a nominal fee for any educational purpose. It is in constant use.

Crescent Heights Branch

The library has one branch at 1806 First Street N.W., with a collection of 4,000 books.

CALGARY NATIONAL HISTORY SOCIETY

Museum: Basement Court House, 7th Ave. W.

The membership of the society is \$1 per year, and entitles the holder not only to the privileges of the society, but to a course of free lectures by men eminent in their special fields of knowledge.

The principal part of available funds from membership and other sources will be spent in obtaining further specimens for the museum, which even now in its initial stage is well worth a visit.

Its collection embraces a very fine collection of Indian relics, mounted animals, birds and insects native to the province, as well as fossil remains.

THE OBJECTS OF THE ASSOCIATION

The Association of the American Directory Publishers is composed of reputable City Directory Publishers, organized for the general advancement of the Directory business. Any person, corporation or firm engaged in business as owner and publisher of a City Directory in the United States or Canada, who shall qualify as competent to gather information and compile a City Directory and furnish satisfactory references, is eligible to membership.

The objects of the Association are:

First. The advancement of the Directory business and the improvement of Directories by the interchange of ideas and the exchange of experienced employees

Second. To provide protection to the public against fraudulent advertising schemes which operate under the name of Directories, and to drive unprincipled promoters of the same out of business.

Third. To provide permanent and profitable employment to competent, industrious and honest Directory canvassers and compilers.

Fourth. For the mutual protection and advancement of the established and prospective interests of all who may become members, by personal advice and assistance of members as may be mutually satisfactory, desirable or advisable, and by such other means as may, from time to time, be shown to be wise, proper and lawful.

\$100.00 REWARD will be paid by the Association for the arrest and conviction of any person or persons engaged in publishing, collecting or canvassing for any fraudulent or fake Directory.

Henderson's Calgary Street and Avenue Directory Including Sub-Divisions and Their Locations 1920

HENDERSON'S (1920) CALGARY

93

Method of Numbering Streets, Avenues and Houses

Calgary's streets are numbered from Centre Street, east and west and from Centre Avenue, north and south. Example: The first street west of Centre Street and south of Centre Avenue would be First Street SW., oftentimes called First Street West. The first street east of Centre Street and north of Centre Avenue would be First Street N.E., and so on.

The Avenues are numbered from Centre Avenue and Centre Street. Example: The first avenue south of Centre Avenue and west of Centre Street would be First Avenue S.W., and so on; and the first avenue north of Centre Avenue and west of Centre Street would be First Avenue N.W., and so on.

Half streets or intervening streets are designated "A" or "One-half."

Houses are numbered under the following system. Each lot has a number. The even numbers are on the north side of the avenue and the odd numbers are on the south side of the avenue. On the streets the even numbers are on the east side and the odd numbers are on the west side. Each block numbers from

100 as follows: 116 8th Avenue West would be on 8th Avenue, between Centre and First Street West. 217 8th Avenue West would be on 8th Avenue, between First and Second Street West. On the streets the numbers run as follows: 211 Centre Street South would be on the west side of Centre Street, between Second and Third Avenues, and 712 Centre Street South would be between Seventh and Eighth Avenue, and so on. Each block starts numbering from the hundred following the block preceding it.

NOTE.—The arrangement in the following Street and Avenue Directory is in numerical order, following Centre Avenue and Centre Street which appear first with Avenues preceding Streets. The arrangement by directions is East, West, North East, North West, South East and South West. Streets and Avenues not numerically named appear last in alphabetical order.

Where the odd and even numbers on an Avenue or Street are separated, the south side (odd numbers) on Avenues will appear first and the west side (odd numbers) will appear first on Streets.

Become Prosperous on the Farm

The Canadian Pacific Railway offers you farm lands on the rich prairies of Alberta, Saskatchewan and Manitoba at very favorable prices. Land that will produce big crops of grain and fodder, and suitable for dairying and mixed farming or for livestock raising, can be had at prices averaging about \$18 an acre. And you can take

Twenty Years to Pay

if you wish. You pay down ten per cent. Then you have no payment on the principal until the end of the fourth year; then sixteen annual payments. Interest is six per cent.

Lands Under Irrigation

In Southern Alberta the Canadian Pacific Railway has developed the largest individual irrigation undertaking on the American continent. The irrigated lands are sold on the same easy payment terms, with prices averaging about \$50 an acre.

\$2,000 Loan to the Farmer

Loans are made to approved settlers on irrigated farms—with no security except the land itself—of up to \$2,000 in improvements. You have twenty years to pay back this loan at six per cent. interest.
